Professional Summary

Computer Science graduate with a strong foundation in software development, skilled in **Java**, **Spring Boot**, and front-end technologies. Experienced in building projects focused on social impact and user-centric solutions, with basic knowledge of Flutter and a passion for innovation in dynamic environments.

Technical Skills

Languages: Java, Python, SQL

Backend: Spring Boot, REST APIs, Spring Security, Spring Data JPA

Databases: MySQL

Tools & Concepts: Git, Visual Studio, VS Code, Postman, Operating Systems, Java Virtual Machine (JVM), Object Oriented Programming (OOP)

Experience

Programmer Analyst Trainee | Cognizant Jul 2025 – Present

- Completed foundational training in **core Java**, covering OOP principles, collections, exception handling, and multithreading.
- Built foundational backend skills in **Spring Boot**, including REST API development, dependency injection, and the Spring MVC framework.
- Strengthened fundamentals in data structures, SQL querying, and version control with Git as part of structured technical training.

Programmer Analyst Trainee (Intern) | Cognizant Mar 2025 – Jul 2025

- Contributed to Java development and testing tasks as part of the ADM Standard Java Domain technical training.
- Gained practical experience with Agile methodologies, Unix, Git version control, SQL queries, UML diagrams, JUnit, and Mockito.
- Explored backend development using Spring Boot (basics) and the Spring MVC framework.

Projects

Pet-Guardian | JavaFX, Java, OOP

- Developed a desktop platform for pet owners built using **JavaFX**.
- Led project management and handled API connectivity for the application.
- Applied key Java concepts including OOP, exception handling, inner classes, and collections.

Foodixpress | HTML, CSS, Spring Boot, Spring MVC, MySQL

- Built a digital platform that streamlines a food delivery application.
- Implemented the backend using Spring Boot and Spring MVC with a MySQL database, and the frontend using HTML and CSS.

Education

Sinhgad College of Engineering, Pune | CGPA: 8.43 / 10 Aug 2021 – May 2025
Bachelor of Engineering (B.E.), Computer Science & Engineering

Pratap College, Amalner | Percentage: 87.83% Aug 2020 – May 2021
Higher Secondary Certificate (12th)

Navbharat Secondary & Higher Secondary School, Dahiwad | Percentage: 91.80% Jun 2018 – May 2019
Secondary School Certificate (10th)

Languages

English (Proficient) | Hindi (Proficient) | Marathi (Proficient)
